

## ALBERT H MACK SCHOLARSHIP

Named after Al Mack in 1996, a person who was loved by all.

Al was the President of Colehamer & Fellows and was active in the National Ground Water Association. He was on the NGWA Suppliers Board and eventually served as Chairman. A Navy veteran, Al was loved by all and always had a story to tell. Boy, could he tell a story which drew a vivid picture and made you laugh.

Al was very active in the ESWWDA. Always willing to help and always having ideas to make us better. It is an honor to have a scholarship named after this great man and supporter of the water well industry, our association, and our members.
